

Absenteeism

With each free event, a date is set on the website until which unsubscribing is possible. Please unsubscribe before this deadline. If certain issues, such as illness or family circumstances, arise between the unsubscrition deadline and the event itself, please contact the board. If no valid reason is communicated before the event and you do not show up, you will receive a warning. If this happens more than once, you will receive a fine of €5,-.
